LEGAL CERTIFICATION

DIGITAL SIGNATURE CERTIFICATION

By signing this document electronically, each party certifies that:

• They have read and understood the contents of this contract
• They have the authority to sign this contract
• Their signatures were affixed with intent to be legally bound
• The signatures represent valid consent and agreement

This document contains valid, cryptographically secure digital signatures. The signatures are equivalent to handwritten signatures under electronic commerce laws and are legally binding.

Signature Verification: ✓ All signatures verified and immutable
